

How to generate a customized Cause list

Introduction of New Option of Customized Cause List:

The complete cause list in PDF format is already available on the website. A new and user-friendly “Customized Cause List” feature has been added to the official website of High Court of Delhi. This new feature enables the user to segregate cases listed in different courts by use of following search options:

- a) **Exact:** - Exact name of the Advocate as appearing in the cause list on a particular date will appear in drop-down box.
- b) **Substring:** - Any part of the name of the Advocate as appearing in the cause list i.e. Full name, First name, Middle name, Last name.
- c) **Full cause list:** - The Full cause list of the High Court of Delhi for the selected date.
- d) **Court No. Wise:** - Cause list of the selected Court for the selected date.
- e) **Judge Wise:** - Cause list of the selected Judge, name wise

Please follow the following steps to navigate the Customized Cause List option.

The screenshot displays the official website of the High Court of Delhi. The header features the court's name and a navigation bar with links: Home | History | Judges | Calendar | Multimedia Resources | Registrars | Feedback | FAQs | Links. A left-hand navigation menu lists various services, with 'Cause List' expanded to show 'Customized Cause List', 'PDF Cause List', and 'Customized Cause List Help'. A callout bubble with the text 'Click here' points to the 'Customized Cause List' option. Below the menu are icons for Judgements, Cause List, Display Board, and Virtual Tour. On the right, there are sections for 'Latest Announcement' (Retirement of Hon'ble Ms. Justice Rekha Sharma...) and 'Public Notice' (GUIDELINES/DIRECTIONS REGARDING FILING OF PETITION U/S 391 TO 394 OF COMPANIES ACT, 1956). A 'Downloads' section is also visible at the bottom right.

After the click, a Customized cause list page will open. Then, select the date first, thereafter go to next option i.e. “exact”, ‘Substring’ , ‘Full Cause List’ , “Court No.- wise” , or “Judge-wise”

For example, in case the option selected is “Exact”,

- a) **Exact:** - Names of all Advocates, whose cases are listed on that particular date, will appear in a dropdown box as shown below:

> Judges' Roster
> Display Board
> Reports & Publications
> Cause List
